

## Special Needs Information Press

Please find your place value cards spanned across pages 2 – 4 of this document.

Each set consists of unit numbers (0 – 9), tens (10 –90) and hundred cards (100 – 900).

All you need to do is;-

- 1) Print out and photocopy onto A4 card
- 2) Laminate
- 3) Cut them out (I used my kitchen scissors)
- 4) Mark the hole for the fastener (I used a hole puncher for this)
- 5) Fasten them together ensuring tens are placed on top of hundreds and units are on top of tens.

Hope you find them useful,
